vv.1-3 v.4

3 And as the stars unhesitating move,
so drawn, we follow this relentless love,
for he who touched our hearts and entered in
has promised we will see him once again.
He came. He comes. He's here. We seek him still.
How long, oh Lord? Your promises fulfill.

4 Come, take another step: the night draws on,
and surely we shall find the waiting dawn
and see again the one who called us forth
and our own end, as at his infant birth.
No matter, if we see him, where or when.
He came for us, and he will come again.
