A \flat **E \flat /G** **A \flat** **B \flat sus4** **B \flat 7** **G7/B**

you, whose feet were co - vered in their dust,
you had not the com - fort of the nest:

Cm **G7** **Fm7** **B \flat sus4** **B \flat 7** **G7** **Cm**

walk with me through all my twi - sted by - ways;
Walk with me the roads that lead through dark - ness;

A \flat **Fm7** **Fm7/B \flat** **E \flat**

take with me the steps I know I must.
be for me my shel - ter and my rest.

3 Word of God, that dwelt untouched above me,
Jesus, sinking in the mud of flesh,
walk with me and let me feel you love me.
Touch me still and fill my every breath.

4 You, who walked the valley of the shadow,
every step along the vale of tears,
walk with me and make this journey hallowed
through the darkened garden of my fears.

5 Son of God and image of the Father,
Christ Incarnate, wrapped in flesh and blood,
walk with me 'til I can walk no further.
Guide me by your never-ending love.
