1. Lord, you call us to your ser - vice, each in our own— way,
2. Life for us is al - ways chang - ing in the work we— share.

Some to car - ing, lov - ing, heal - ing; some to preach, or— pray;
Christ - ian love adds new di - men - sions to the way we— care.

some to work with qui - et learn - ing, truth dis - cern - ing, day by day.
For we know that you could lead us, as you need us, a - ny - where.

3 Seeing life from your perspective
makes your challenge plain,
as your heart is grieving over
those who live in pain.
Teach us how, by our compassion,
you may fashion
hope again.

4 Lord, we set out human limits
on the work we do.
Send us your directing Spirit,
pour your power through,
that we may be free in living
and in giving
all for you.
