

Res-tore us a - gain, O Lord God of hosts,

and show us the light of your face and your

grace and we shall be saved.

Hear, O Shepherd of Israel  
that led Joseph like a flock.

Enthroned high on the cherubim:

Shine out, O shine out, O shine out in power and might.

Before all of your children  
show your power, come to save us.

O Lord God of hosts,

how long will you show your anger at your peoples' prayer?

You have fed us with tears,  
tears to drink in good measure.

All our enemies mock us.

Why have you made us the victim of our neighbours' scorn?
