

Come let us sing for joy to the Lord, let us  
shout a-loud to the rock of our sal-va-tion;  
En-ter his courts with mu-sic and song, give  
thanks un-to him for all he has done.

Great is the Lord our God, King above other gods.  
Great is the Lord our God, King above other gods.  
In his hand are the depths of the earth,  
and the mountains rose at his command.  
He created the oceans and seas,  
with his hand he fashioned the land.

Come, kneel before the Lord, bow before him in prayer;  
own him our Lord and our God, bow before him in prayer.  
He created the vastness of space  
but within our hearts would make his home;  
he, the shepherd who laid down his life:  
we, the flock he claimed for his own.

Come, hear his voice today, do not harden your hearts;  
unlike as yesterday, do not harden your hearts.  
See the love that your Saviour has shown,  
set your will to walk within his way;  
enter into his blessing today,  
do not let your hearts go astray.
