1. He loved, and gave him - self for me; on this, on
2. His blood that pur - ges ev - ery stain shall make me

this a - lone I build my hope of
through - ly clean and free; and I shall

life and li - ber - ty, and all the
love my Lord a - gain who loved and

pro - mi - ses ful - filled.
gave him - self for me.

3 What may I not expect from him
who left for me his throne above?
He will from sin and death redeem
the object of his dying love.

4 He will restore me from my fall,
my pledge of heaven his passion is;
the bleeding cross hath promised all
and sworn my everlasting bliss.
